BRINGING CHRISTMAS TO FREDERICK FAMILIES

Dear Frederick Community Members,

The Christmas Branch Project is an event designed to bring Christmas to Frederick Families. In an effort to continue to serve families in Frederick living at or below poverty level, we are initiating The Christmas Branch Project -- providing an opportunity for **30 families** to receive a completely free Christmas tree, tree stand, lights and ornaments. But we're not stopping there -- we are also hoping to provide a memorable experience for families and continue the festivities to include: family photos, live music, a Christmas ornament craft and hot apple cider.

That's where YOU come in. Help us bring Christmas to 30 Frederick Families in 2019 by considering sponsoring The Christmas Branch Project. There 3 ways you can partner with us as a sponsor detailed on the following page. We also will be collecting Christmas Tree Lights and Ornaments at our Frederick office located at Federated Charities: 22 South Market Street, Frederick, MD, 21701.

We appreciate your partnership!

Respectfully,

Geoff Seidel, Board President
Shelley Aloï, Executive Director
Ali Berger, Board Member
Phil Graves, Board Member
